

While this our best estimate, Sov has such striking power both by conventional weapons and by growing nuclear power progress, and such facility reach quick and uncontrollable decisions through Politburo techniques that we must keep always on alert.

Finally, naturally see our own difficulties, our exposed positions, and uncertainty among members of the Grand Alliance. Hence tend forget Soviet and Communists have serious stresses and strains. We face no problems which courageous united action should not be able meet.

State - failure of VOA? - -

D not failure mechanism - victimized
by colonialism - citing assets of like
